

GUY SMILEY - INTRODUCTION

Ladies and gentlemen... welcome to the studio that makes words come alive... this... is **MATCH WORD!** I'm your host, Guy Smiley, and let me tell you, we are in for a fantastic time today! Here's how we play: we've got two teams, and each team has a Clue Giver and a Guesser. The mystery word starts with one team - their Clue Giver gives a clue, and their Guesser tries to guess the word! Get it right, and the points are yours! But if the Guesser can't get it... don't worry, it's not over! The word moves over to the other team, their Clue Giver adds a brand new clue, and their Guesser gets their own shot at it! Back and forth it goes, for up to eight rounds! And if nobody's cracked it by then, we move on to a brand new word! Are you ready to play? Let's find out who takes home the win... right here, right now, on **MATCH WORD!**
